Current Land Application Research and Demonstration Sites

Northwest Branch Experiment Station:

Composted and fresh poultry litter and Fescue hayfields

Contact Person: Miquel Cabrera mcabrera@arches.uga.edu

Redbud Farm, Northwest Branch Experiment Station:

Biosolids, Water treatment residuals, poultry litter, fescue/bermuda, hayfields & pastures

Contact Person: Julia Gaskin jgaskin@bae.uga.edu

USDA Southern Research Station, Watkinsville:

Poultry litter, Coastal bermudagrass hayfields Contact Alan Franzluebbbers

Poultry litter, Cotton/annual rye cover crop Contact Dinku Endale

Poultry litter, Mixed fescue/bermudagrass pasture Contact Dwight Fisher

Poultry litter, Sorgham with annual rye vs crimson clover, no till vs conventional till

Contact Harry Schomberg

Central Georgia Branch Experiment Station:

Poultry litter, Mixed bermudagrass/fescue pasture

Contact Person Miquel Cabrera mcabrera@arches.uga.edu

Griffin Experiment Station:

Poultry litter, Mixed bermudagrass/fescue pasture, pine plantation

Sandersville:

Pulp and paper mill residue, composted poultry litter, pine plantation, mine land reclamation

Contact Person Larry Morris lmorris@arches.uga.edu

Fort Valley:

Poultry litter, composted poultry litter, hayfields

Contact Person David Radcliffe dradclif@arches.uga.edu

Rincon:

Pulp and paper mill residue, pine plantation

Contact Person Larry Morris lmorris@arches.uga.edu

Satilla Forest:

Pulp and paper mill residue, pine plantation

Contact Person Larry Morris lmorris@arches.uga.edu

Oglethorpe:

Pulp and paper mill residue, pine plantation

Contact Person Larry Morris lmorris@arches.uga.edu

Coastal Plain Experiment Station:

Pulp and paper residue, sorgham, wheat,

Contact Person Bill Miller bmiller@arches.uga.edu

Long Farm, Coastal Plain Experiment Station:

Poultry litter, cotton, conventional vs no till

Contact Person Gary Gascho gascho@tifton.cpes.peachnet.edu

Crisp County:

Municipal solid waste compost, cotton, conventional and strip till

Contact Person Furman Peebles frmp@sowega.net

Municipal solid waste compost, straw, cotton, precision farming

Contact Person David Kissel dkissel@arches.uga.edu

Sumter County:

Ground sheetrock (gypsum), peanuts

Contact Person Glen Harris gharris@arches.uga.edu

Coffee County:

Yard waste/biosolids compost, cotton

Contact Person Glen Harris gharris@arches.uga.edu
