City of Shelby Utilities

Environmental Policy

The City of Shelby Utilities is committed to operate its facilities in a responsible and environmentally safe way. The City of Shelby Utilities will:

- Comply with all regulations, laws, and standards applicable to our processes and waste.
- Commit to continual improvement of the environment by setting and reviewing objectives and targets.
- Communicate this policy to the public.
- Ensure that all Plant personnel are trained, understand and knowledgeable of their environmental responsibilities.
- Protect the environment by the disposal of waste in a safe and healthy manner.
- Commit to corrective and preventive action. Identify, and correct any problems and prevent any reoccurrences.
